About Piesanos Stone Fired Pizza

Founded in Gainesville in 2009 by Mike Akey & Joel Mills, who each had deep roots in the full-service restaurant world. Together, they dreamed up something new: a place where scratch-made Italian meals met laid-back Florida hospitality. Mike & Joel opened up 3 locations together in Gainesville. And in 2017, Jerry and Sabrina Roberts joined the family, helping grow Piesanos across Central Florida. Today, there are nearly 16 locations across Florida. Piesanos is known for its complimentary fresh Piesanos rolls, stone-fired pizzas, handcrafted pastas, and use of premium ingredients like Grande® mozzarella and imported Italian pasta, and continues to blend authentic Italian tradition with modern innovation. With a commitment to quality ingredients, authentic recipes, and genuine hospitality, Piesanos delivers an experience that feels as good as it tastes, welcoming guests back again and again.
